

FAQ FOR BDSM DUNGEON SESSIONS

GODDESS CAPRI

Q. Do you have any reviews?

A. I have a love-hate relationship with reviews so, my preference is for clients to refrain from reviewing me. I prefer your direct feedback, either in person or via email. I consider all feedback subjectively however, if your feedback simply references unreasonable expectations, I will assume we are not compatible and will kindly ask you to seek your needs elsewhere. However, I do understand the safety aspects of review sharing. To assuage these concerns, please consider I am part of the [Atlanta Dungeon](#), a very reputable collective, and I have a social media presence dating back to 2013. I am who I say I am.

Q. Do you offer X, Y, or Z?

A. My rule of thumb, I offer most BDSM/Fetish play. My hard limits (listed [here](#)) include **live animals and underage (you must be 21+ to play)**.

Q. Can I call you directly to talk about my requests before a session?

A. The short answer is no. I leave space on my application to detail desires. I also have clients complete a Limits/Boundaries Form before the first session. NOTE: I only speak to serious AKA paying clients who value my time and my craft. Show me you're serious. Submit an initial tribute or purchase something from my wishlist THEN and we can talk. Any other phone conversations are reserved for [Niteflirt PDO/PSO](#). Otherwise, feel free to email me at goddesscapri@yahoo.com and I will answer your questions {or not} at my convenience. If you do call before submitting a tribute, I will not entertain your pace. I will notify you of my booking process. You can decide to comply or not.

Q. Can you tell me what will happen during our session?

A. I honestly don't understand this question. If I could detail every moment of the session I will have with you, that means all of my sessions are scripted and/or planned. **What is the fun in that??** My sessions are spontaneous. I feed off your energy at that moment. That said, I will throw this question back to you. What are you looking forward to? I can't promise we will reach an existentially orgasmic plateau, there is that possibility, but I ask that you manage certain expectations. I cannot recreate the feelings you had in any sessions with previous professionals. I can promise, you will leave with my impression on you. Let's explore.

Q. Can I send more money in lieu of screening?

A. **Absolutely not.** Asking this may even get you on a blacklist, considering you are electing to forgo my safety in hopes that I am desperate for more money. Predators prey on desperation. If I suspect you are engaging in predatory practices you will be reported to each and every blacklist I can find.

Q. Can I offer you gifts instead of payment?

A. You can offer me gifts. You must still pay my session fees.

Q. Do you session with couples?

A. Yes, for an additional fee. I also offer bdsm sex coaching.

Q. What forms of payment do you accept?

I accept cash (in person), debit/credit via Square (payments show up as STK Media), [CashApp](#), Amazon [gift cards](#), and Wishtender [gifts](#).
