

# FAQ FOR BDSM DUNGEON SESSIONS

## GODDESS CAPRI

Q. Do You have any reviews?

A. I have a love-hate relationship with reviews. My preference is for clients to refrain from reviewing Me on review boards. I prefer you provide direct feedback. After your session, I will send you homework asking for your testimonial. Your responses may be included on the [TESTIMONIALS](#) page on My website. Keep in mind, I consider all feedback subjectively however, if your feedback simply references unreasonable expectations, I will assume W/we are not compatible and will kindly ask you to seek your needs elsewhere. I do understand the safety aspects of review sharing. To assuage these concerns, please consider I am part of the [Atlanta Dungeon](#), a very reputable collective, and I have a social media presence dating back to 2013. I am who I say I am.

Q. Do You offer X, Y, or Z?

A. My rule of thumb is I offer most BDSM/Fetish play. A list of most of My interests can be found on the [SESSIONS](#) page of My website. This list is not exhaustive. If there is something not listed feel free to inquire. **My hard limits are listed.**

Q. Can I call You directly to talk about my requests before a session?

A. The short answer is no. I leave space on My new client application to detail desires. I only speak to serious AKA paying clients who value My time and My craft. Show Me you're serious. Submit an initial tribute or purchase something from My [wishlist](#) and THEN W/we can talk. Any other phone conversations are reserved for [Niteflirt PSO](#). Otherwise, feel free to email Me at [goddesscapri@yahoo.com](mailto:goddesscapri@yahoo.com) and I will answer your questions {or not} at My convenience. If you do call before submitting a tribute, I will not entertain your pace. I will notify you of My booking process and you can decide whether or not to comply.

Q. Can You tell me what will happen during our session?

A. I honestly don't understand this question. If I could detail every moment of the session I will have with you, that means all of My sessions are scripted and/or planned. **What is the fun in that??** My sessions are spontaneous. I feed off your energy at that moment. That said, I will throw this question back to you. What are you looking forward to? I can't promise W/we will reach an existentially orgasmic plateau, there is that possibility, but I ask that you manage certain expectations. **I cannot recreate the feelings you had in any sessions with previous professionals.** I can promise, you will leave with My impression on you. *Let's explore.*

Q. Can I send more money in lieu of screening?

A. **Absolutely not.** Asking this may even get you on a blacklist, considering you are electing to forgo My safety in hopes that I am desperate for more money. Predators prey on desperation. If I suspect you are engaging in predatory practices you will be reported to each and every blacklist I can find.

Q. Can I offer You gifts instead of payment?

A. Yes, you can offer Me gifts but **NOT** in place of My session fees.

Q. Do You session with couples?

A. Yes, for an additional fee.

Q. What forms of payment do You accept?

I accept cash (in person), debit/credit via Square (payments show up as STK Media), [CashApp](#) and Amazon (digital and photo) [gift cards](#).
